

I am Wendy Shubert, the current Tooele County Assessor. I have worked in the Tooele County Assessor's office for 15 years and a certified residential appraiser for 9 years. I currently serve on the Multi-County Appraisal Trust Board. In 2005 I was awarded the 'Outstanding Appraiser of the Year' award by the Utah Chapter of IAAO (International Association of Appraising Officers).

My experience in the assessor's office includes motor vehicle, personal property valuations and real property appraisal. My goal is to ensure that all citizens of our County are treated fairly and equitably in regards to property values and make this information available on the internet.

I am a believer in an 'open door' policy in government. As a public servant, and as Tooele County Assessor, I will be accessible and diligent in helping our citizens. Customer service is a priority in this office, the staff has received several compliments that they are very helpful and friendly to the citizens of this county. It is important that all facets of County government work together for you as citizens. I will strive to see that this is done in my office for the benefit of our citizens.
